SCHEDULING:

This case is set down for a Telephone Status Conference on February 20, 2019 at 2 p.m.

**THE FOLLOWING RULINGS WERE MADE:**

Counsel reported back today that defense counsel reviewed the audit results with his client during a meeting at Local 66. The audit was subsequently revised and the parties are still working on the correct numbers with respect to the amounts owed, interest and costs. Counsel believe they will be able to resolve this matter without further litigation, but need some additional time to do so. I am granting that request and giving the parties until February 19 to reach a resolution and file a stipulation of discontinuance. If they do not do so by February 19, then the Court will set a case management schedule in place at the February 20, 2019 conference.

**SO ORDERED.**
